

Cheyenne Theater Meeting Minutes

May 2, 2016

Attending: Board Members Brent Rueb and Justin Lohr; City Council representatives Amanda Milne and Lila Whitmore; Guests Skylar and Jennifer Goodwin; and manager Cara Hunt.

The meeting started at 6:03 PM.

Cara read out loud the minutes of the last meeting, and two errors were noted. They were unanimously approved after a motion made by Justin and a second by Brent.

Lila handed out a treasurer's report. She told the board that everything looked good. Brent moved, and Justin seconds report a motion to approve the treasurer's report and we thanked Lila for coming.

Skylar Goodwin of *BankWest of Kansas* was present at the meeting to discuss a program that he would like to start with the theater. As part of a new program going on at the bank, Skylar proposes to start a program here in St. Francis similar to the one the bank currently has in Goodland. Part of the program would be that the theater would get recognized on the bank's new webpage and this would help promote the theater. Another part of the program would be that people would be able to go to *BankWest* and purchase tickets to the theater at a cheaper price--\$1 less. All of the proceeds from these sales would go straight to the theater. It was tabled by members until next meeting so Robert could be informed on this new program.

Amanda had been approached by Tom Keller and Paula Keller about using the theater for a forum for the new senior assisted living. They wanted to use the theater and use the projector for this forum. There was discussion and the board approved to waive the rental fee for this but it was suggested to Amanda to have them look other places that may allow more people and that may be more equipped for this type of forum.

The board members wanted to have a discussion next meeting about the rental policy.

Cara reported to the board about the issue that she had been having with the theater laptop. She will contact Jason Padgett and have him look at it.

Justin moves and Brent seconds a motion to adjourn the meeting.

The meeting adjourned at 6:56 PM.

Note: These minutes were recorded by Cara and transcribed by Robert.
